They reviewed data related to graduation rates, test scores graduation requirements, academic growth, behavior events, counseling office support, and post-secondary workforce readiness. Fred Maxwell, representing **CMC with a guest report**, highlighted business internships Salida students are participating in. Students Makiah, Ian, and Amory shared presentations about the internships they have participated in to earn school credit. Then BOE Directors broke into small discussion groups with student to get their insight about Career and College Planning, Advisory, Instruction, and Student Engagement.

There was only one updates for **Board Communications and Committee Reports**. Director Hobbs shared that CBT is planning to meet in the spring with dates and agendas yet to be determined.

Future Business

The discussion regarding the location of BOE meetings will be moved to discussion at the January 21, 2023 retreat.

The Board will hold a Special Meeting at 8 a.m. prior to the Annual Retreat scheduled for January 21, 2023 at 627 Oak Street.

Director Paschall will participate in agenda review prior to the regular meeting of the Board on February 14, 2023. The February meeting will move back to the traditional location at the Kesner Building. It was noted that the budget will be a key discussion in coming months, with a work session in February, a more detailed conversation at the March meeting and a final conversation in April so the Board may pass a final '23-'24 budget in May. Because Business Manager Shiela Moore will not be able to attend the regular meeting of the Board in May, a special meeting will be scheduled for final budget approval.

Secretary LeTourneau will move forward scheduling winter listening sessions, with one option at a café/coffee shop and another at a restaurant/pub.

Director Paschall made a motion to adjourn the meeting at 9:50 p.m.

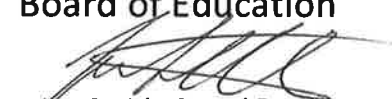

Respectfully submitted,
